**1. Solicitare operator economic:**

**Technical question:**

- Do you really need 10Mhz, 1pps at the output? for what purpose?

**Procedure:**

- Prices have to be in Lei and Euro but could we invoice in Euro ?
- If we bid directly (without partner) do we have to fulfill the “Formularul nr.7 ?
- Do we have to fulfill the “Formularul nr 10. for the submission or is it later for the winner ?
  - The amount is it in escrow during this warranty ?
  - What are the condition to get out of this sequestration ?
- in France, according to the law (I TER 262 code des impôts), we don't have TVA for Europe, is it OK for you ?

**1. Răspunsul autorității contractante(English):**

**Technical question:**

- As per Technical Requirements, the equipment has to be provided with 10MHz and 1pps outputs. The purpose of these outputs is related with the future extension of the DVB-T2 networks.

**Procedure:**

- Prices have to be in Euro, both in the procedure and in the contract invoice.
- “Formularul nr.7” must be filled by the legal representative of the company for the person who submit the offer **directly** to our headquarters, only in case the offer is not sent by courier.
- “Formularul nr 10” will be presented by winner after the contract signing.
  - The amount of 10% from contract value (i.e. Performance Bond) will remain at Radiocom disposal until 14 days from the payment of final invoice.
  - This amount will be returned to the supplier within 14 days after the payment of the final invoice.
- Concerning TVA, Romania comply with Comunity regulations.
